FIREWORKS TEMPORARY USE PERMIT APPROVAL PROCESS

FIRE DEPT.: Applicant is required to contact the Fire Department and obtain an approval stamp on the proposed site plan prior to submittal of the TUP application. All booths must be inspected by the Fire Department prior to opening. For information, call (661) 537-2901.

HEALTH DEPT.: Sale of food or drink will require a Health Department permit. If applicable, Planning will require 1 copy of a valid health permit. For information, call (661) 723-4533.

PLANNING DIVISION: Applicant is required to obtain Temporary Use Permit application, instructions, and approval prior to opening. For information, call (661) 267-5200.

BUSINESS LICENSE: All fireworks booths require a Business License. Documents must be displayed on site at all times during the event. For information, call (661) 267-5434.

BUILDING & SAFETY DIVISION: Unless power is provided via a generator, Building and Safety will require a permit. Please contact the Building and Safety Division early in the application process to verify permit requirements. For information, call (661) 267-5353.

CODE ENFORCEMENT: The Code Enforcement Officer verifies site clearance from all departments and confirms conformance of the use to the approved site plan. An inspection will be made after fireworks have been delivered to the booth and the Fire Department has completed their inspection. A field inspection is required by Code Enforcement BEFORE you can begin selling any products. For information, call (661) 267-5234.

FIREWORKS TEMPORARY USE PERMIT STANDARDS

Please read the following information carefully. The following standards shall be adhered to for all Fireworks Sales pursuant to Ordinance No. 892 of the City of Palmdale.

1. **Dates of Operation:** Occupancy and sales shall be limited to the period of time between noon on June 28 and noon on July 5, once all approvals have been obtained. No structures or fireworks shall be left on site after July 6.

2. **Sanitary sewer facilities,** either portable or permanent, shall be provided.

3. **The parking area used for fireworks sales shall be located pursuant to the approved site plan,** and clearly delineated for customers.

4. **All unimproved parking areas and main walk areas** shall be kept damp or shall be covered with a material to prevent the raising of dust.

5. **Applicant shall provide safe and adequate roadway access** including adequate vehicular sight distance at the driveway entrance/exit.

6. In no event shall any portion of the proposed use encroach onto any public rights-of-way, or be located in a way which might cause a hazard.

7. **The temporary use shall not adversely affect the surrounding neighborhood** by means of odor, noise, dust or other nuisances.

8. **Written authorization from the property owner or their agent is required.**

9. **A $500 bond or cash deposit,** or other amount deemed necessary by the City, will be required for undeveloped sites to assure clean-up. **The deposit shall be returned upon written request of the applicant following verification of site clean-up,** and removal of temporary structures. **Any expense incurred by the City for clean-up of the subject property shall be deducted from the deposit and the remainder returned to the applicant.**

10. **Booths shall not be located closer than 300 feet to another fireworks booth.**
