9. Updating the County’s Eviction Moratorium to Extend, Clarify and Gradually Phase Out Tenant Protections

Recommendation as submitted by Supervisors Kuehl and Solis: Approve and instruct the Chair to execute a resolution, further amending and restating the County’s Eviction Moratorium to do the following:

Extend the Eviction Moratorium through September 30, 2021; and

Effective July 1, 2021, provide protections for residential and commercial tenants (collectively, tenants) as follows, to the extent not preempted by State law:

Prohibit evictions based on non-payment of rent due to financial hardship related to COVID-19 and failure to repay unpaid rent by the end of the applicable repayment period;

Prohibit evictions based on tenant's failure to pay back unpaid rent under the terms of a payment plan, and make any term in a payment plan that allows eviction due to the tenant's failure to comply with the terms of the payment plan void as contrary to public policy; and

Prohibit landlords from applying a rental payment to any rental debt other than the prospective month's rent, or such other month or rental debt that the tenant specifies, unless the tenant has agreed in writing to allow the payment to be so applied.
Clarify that, effective March 4, 2020, tenants have an affirmative defense in unlawful detainer actions and any other civil action for the collection of unpaid rent, if tenant was unable to pay rent during the timeframe from March 4, 2020, through the end of the Moratorium Period, due to financial impacts from COVID-19;

Lift prohibition on evictions of residential tenants in situations where a landlord, who purchased a single-family home on or before June 30, 2021, wishes to move into the single-family home for the landlord's or landlord's family member's own use and occupancy as their principal residence, if the following conditions are met:

Residential tenant has been and is able to pay rent and does not have financial impacts from COVID-19;

Landlord may only terminate a tenancy if the landlord or landlord's family member who will reside in the single-family home is similarly situated to the residential tenant or residential tenant's household members who are being displaced as follows:

A tenant or tenant's household member who is 62 years of age or older may only be displaced by landlord if landlord or landlord's family member is also 62 years of age or older;

A tenant or tenant's household member who is disabled may only be displaced by landlord if landlord or landlord's family member is also disabled;

A tenant or tenant's household member who is terminally ill may only be displaced by landlord if landlord or landlord's family member is also terminally ill; and

A tenant whose household is low-income may only be displaced by landlord if landlord's or landlord's family member's household is also low-income;
Landlord provides the tenant with at least 60 days written notice that the landlord or landlord’s family member will be occupying the single family home as their principal residence, thus requiring the tenant to move out within 60 days, and the landlord provides a copy of this notice to the Department of Consumer and Business Affairs (DCBA) with proof of timely service on the tenant, where the landlord will provide an extension to this time period if anyone in the tenant’s household residing in the single family home and/or the landlord or landlord’s family member who will be moving into the single family home has been diagnosed with a suspected or confirmed case of COVID-19 within 14 days of the final date of the tenancy until all affected parties have been deemed to no longer be infectious;

Landlord pays the tenant relocation benefits in accordance with the applicable local jurisdiction’s requirements for such owner move-ins or, if none, in accordance with Chapter 8.52 of the County Code;

Landlord demonstrates good faith by moving into, or having landlord’s family member who will principally reside in the single family home move into, the single family home within 60 days of the tenant vacating the single family home and lives there for 36 consecutive months, and;

Not less than 60 days prior to the final date of the tenancy, the landlord must disclose to DCBA, on a form approved by DCBA, the name(s) of the eligible individuals who will occupy the single-family home, consistent with Chapter 8.52 of the County Code, as may be amended from time to time, DCBA may contact the landlord at any time during landlord's 36-month occupancy to confirm that the landlord or landlord’s family member resides in the recovered single family home and to obtain written verification of residency; and

Instruct County Counsel to report back to the Board in 60 days on the feasibility of requiring owners to apply for rental assistance before filing an unlawful detainer action or an action to recover rental debt against a tenant who has been financially impacted by COVID-19. (21-2568)

END
AGENDA

In accordance with the Brown Act, all matters to be acted on by the Board must be posted at least 72 hours prior to the Board meeting. In cases of an emergency, or when a subject matter needs immediate action or comes to the attention of the Board subsequent to the agenda being posted, upon making certain findings, the Board may act on an item that was not on the posted agenda.

The majority of the Board's Tuesday agenda is a consent calendar. All matters included on the consent calendar (including Board of Supervisors items and Administrative Matters) may be approved by one motion unless held by a Board Member for discussion. During the reading of the Agenda, the Executive Officer will indicate which items have been requested to be held for discussion or continued to a future meeting, and the remaining items will be approved. Items which are set for a certain time may or may not be called up at exactly the time indicated, depending on the business of the Board. The items that are held for discussion may be taken up at any time, depending on the business of the Board. Each item includes a brief summary of the Board member’s motion or department’s recommended action, and in some instances, a corresponding recommendation from the Chief Executive Officer, indicated in capital letters.

Included at the end of each agenda are items which have been continued from previous meetings for further discussion and action by the Board. This portion of the agenda is commonly referred to as the "A-item Agenda." At the request of a Supervisor, the A-items may be called up for consideration at any time.

INFORMATION RELATING TO AGENDAS AND BOARD ACTIONS

Agendas for the Board meetings are available on Thursday mornings in the Executive Office and on the Internet.
