Executive Summary

The City of Palmdale has been allocated $2,093,986 of HOME-American Rescue Plan Act (HOME-ARP) funding from the US Department of Housing and Urban Development (HUD). In order to receive the HOME-ARP allocation, the City must develop a HOME-ARP Allocation Plan that will become part of the City’s PY2021 HUD Annual Action Plan by substantial amendment.

To ensure broad input into the HOME-ARP Allocation Plan from stakeholders and the public, the City engaged in consultation with stakeholders and the public, including a virtual consultation session, a survey of stakeholders, a 30-day public comment period, and a public hearing.

The needs assessment and gap analysis identified the following needs and gaps within the City:

- In February 2022, the annual Point in Time (PIT) count revealed that 61 people were residing in emergency housing, either in shelter or transitional housing. Another 241 people were unsheltered on the streets, in tents or makeshift shelters, or in cars, vans, RVs or campers.
- 2014-2018 CHAS Data from HUD reported 5,575 households with incomes at or below 30% AMI are at risk of homelessness in the City.
- The 2014-2019 HUD CHAS data indicates there are 6,115 renter households with an annual income at or below 30% AMI with a cost burden that are at greatest risk of housing instability.
- The CHAS data reports that there are 2,805 households with incomes more than 30 and but equal to or less than 50% AMI that are at risk of homelessness in the City because of at least one of the housing problems as defined by HUD.
- The greatest need for supportive services is in the areas of Job training and employment services, housing search and housing counseling services, childcare assistance, mental health services, outreach services, and case management services.

To address these needs within the community the City will continue to fund the development and support of affordable housing, tenant-based rental assistance (TBRA), and supportive services through HUD funding available to the City, including annual allocations of CDBG and HOME and focus this new allocation of HOME-ARP funds towards the development of non-congregate shelter units.
Introduction

The City of Palmdale has been allocated $2,093,986 of HOME-American Rescue Plan Act (HOME-ARP) funding from the US Department of Housing and Urban Development (HUD). To receive the HOME-ARP allocation the City of Palmdale must develop a HOME-ARP Allocation Plan that will become a part of the City’s PY2021 HUD Annual Action Plan by substantial amendment. The HOME-ARP Allocation Plan must include the following:

1. A summary of the consultation process and the results of consultation;
2. A summary of comments received through the public participation process and a summary of any comments or recommendations not accepted and the reason why;
3. A description of HOME-ARP qualifying populations within the jurisdiction;
4. An assessment of unmet needs of each qualifying population;
5. An assessment of gaps in housing and shelter inventory, homeless assistance and services, and homelessness prevention service delivery system;
6. A summary of planned use of HOME-ARP funds for eligible activities based on the unmet needs of the qualifying populations;
7. An estimate of the number of housing units for qualifying populations the City will produce or preserve with its HOME-ARP allocation;
8. A description of any preferences for individuals and families in a particular qualifying population or a segment of a qualifying population;
9. HOME-ARP Refinancing Guidelines; and

The following entities are responsible for preparing the Allocation Plan and those responsible for administration of the HOME-ARP grant.

HOME-ARP Eligible Qualifying Populations and Activities

HUD’s CPD Notice 21-10 Requirements for the Use of Funds in the HOME-American Rescue Plan Program establishes the requirements for funds appropriated under section 3205 of the American Rescue Plan Act of 2021 for the HOME Investment Partnerships Program (HOME) to provide homelessness assistance and supportive services.
The American Rescue Plan Act (ARP) defines qualifying individuals or families, including Veterans, that are:

1. Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act;
2. At risk of homelessness, as defined in section 401 of the McKinney-Vento Homeless Assistance Act;
3. Fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking (as defined by HUD in 24 CFR 5.2003) or human trafficking (as outlined in the Trafficking Victims Protection Act of 2000 as amended [22 USC 7102]); and
4. Part of other populations, where providing supportive services or assistance under section 212(a) of the National Affordable Housing Act 42 USC 12472(a) would:
   a. Prevent a family’s homelessness;
   b. Serve those with the greatest risk of housing instability.

HOME-ARP funds may be used benefit qualifying populations through:

1. Tenant-based Rental Assistance (TBRA);
2. Development and support of affordable housing;
3. Provision of supportive services;
4. Acquisition and development of non-congregate shelter;
5. Nonprofit capacity building and operating assistance; and
6. Program planning and administration.
Stakeholder Consultation and Public Participation

HUD requires each HOME-ARP Participating Jurisdiction to consult with agencies and service providers whose clientele include the HOME-ARP qualifying populations. Agencies that must, at a minimum, be consulted include the Continuum of Care serving the jurisdiction’s geographic area, homeless and domestic violence service providers, veterans’ groups, public housing agencies (PHAs), public agencies that address fair housing, civil rights, and the needs or persons with disabilities.

HUD also requires that each Participating Jurisdiction provide opportunities for the public to comment on the proposed Allocation Plan, including the amount of HOME-ARP funds that will be received and the range of activities that the City may undertake.

To ensure broad input into the HOME-ARP Allocation Plan from stakeholders and the public, the City engaged in consultation with stakeholders and the public, including a virtual consultation session, a survey of stakeholders, a 30-day public comment period, and a public hearing.

Stakeholder Consultation

The City of Palmdale consulted with representatives from multiple agencies, groups, and organizations involved in the development of affordable housing, addressing homelessness, and the provision of services to qualifying populations in preparing this HOME-ARP Allocation Plan.

A virtual session was held March 3, 2022. Representatives from multiple agencies, groups, and organizations were invited via email to attend. Those unable to attend were invited to submit written comments via emails or schedule a phone call to share their thoughts.

The virtual consultation session included an overview of the HOME-ARP notice to inform attendees of the qualifying populations and eligible activities, an opportunity to ask clarifying questions, a request for input into needs and gaps, and priority populations and activities, and an overview of the Allocation Plan timeline and process.

A survey instrument was designed and available online and invited representatives from multiple agencies, groups, and organizations to rank the qualifying populations and eligible activities and services in order of perceived need, and the best approach for carrying out those activities for the community.
The Los Angeles Homeless Services Authority (LAHSA), the lead agency for the Los Angeles Continuum of Care (CoC), held a virtual session to provide their recommendations to jurisdictions being allocated funds. That session was held February 6, 2022, and attended by staff and representatives of the City. LAHSA also provided a written memorandum outlining their HOME-ARP funding recommendations.

The City’s virtual session was attended by 19 representatives of 14 agencies. The survey was completed by 27 representatives of seven agencies. All HUD-required agency types and qualifying populations were represented in either the virtual session or the online survey.

**Summary of Feedback Received from Consulted Organizations**

Consultation revealed strong support for the following:

**Development and support of affordable housing.** Participants in the virtual session discussed the need for additional affordable housing. Specific issues mentioned included the shortage of affordable housing inventory; shortage of affordable housing available to voucher holders; and competition favoring those that can meet extreme income requirements, applicants without children, and those with steady jobs. Of respondents to the survey, 78% believed there was a high need for this activity.

**Acquisition and development of non-congregate shelter.** Many participants mentioned the need for shelter in general and for specific populations including families, those fleeing domestic violence and other situations, people with service animals, the elderly and single people. Of respondents to the survey, 59% believed there was a high need for this activity.

**Provision of supportive services.** Many examples of supportive services were mentioned in the virtual session including fair housing, mental health services, credit repair services, housing counseling, substance abuse services, and eviction defense. Survey respondents were asked to rate what they believed is the current need for various services eligible under HOME-ARP. Of respondents to the survey, 48% believed there was a high need for this activity. The activities with the most ratings for “high need” were job training and employment services (81%), housing search/counseling and childcare services (70%), and mental health services, outreach services, and case management (67%).

**Tenant-based rental assistance (TBRA).** In conjunction with affordable housing, many attendees mentioned the need to increase availability of the TBRA program and as a companion to the development of affordable housing. Of respondents to the survey, 63% believed there was a high need for this activity.

**Nonprofit capacity building and operating assistance.** In the survey, respondents were asked if they believed there was a need for nonprofit capacity building and operating assistance. Of respondents to the survey, 100% responded affirmatively that there was a need in the nonprofit sector for this assistance.

In their memorandum and their agency sponsored virtual session, the Los Angeles Homeless Services Authority (LAHSA) recommendations for the use of HOME-ARP funds within Los Angeles County. They advocated that a “balance of resources to within the homeless services system is critical to ensure effective operations” and recommend a ration of five permanent housing resources for every interim housing bed. That balance informs their recommendations:
1. Acquisition of permanent housing resources if other funds are available to leverage for the purchase of multi-unit buildings, scattered sites properties, or individual units.
2. Master leasing, which is not outlined in the HOME-ARP guidance but is being explored through conversations between LAHSA and HUD.
3. Supportive services that support emergency housing vouchers and services based in problem solving, prevention and diversion to prevent the need for interim housing or accessing the homeless services system.

Public Participation

To provide opportunities for public participation, the City of Palmdale sent an email to all agencies and individuals on its email list notifying them of the opportunity to participate in the virtual consultation session held on March 9, 2022. In addition to attending the virtual consultation session, they were asked to complete an online survey regarding their views of the level of need for the eligible activities and qualifying populations as described by the CPD Notice 21-10. Those unable to attend, or who had further comments after the virtual session were invited to email them directly to City staff.

A combined notice of public comment period and public hearing was published in the Antelope Valley Press on April 1, 2022. The public notice was published in both English and Spanish. The Antelope Valley Press qualifies as a newspaper of general circulation.

Efforts to Broaden Public Participation

To broaden public participation, members of the public who are on the City’s email list were also invited via email to attend the virtual consultation session held in the formulation of the Allocation Plan.

Public Comments and Recommendations Received

There were no public comments received during the public comment period held April 1 through May 4, 2022. One comment was received during the public hearing held before City Council on May 18, 2022.

Public Comments and Recommendations Not Accepted and Reasons Why

All comments received were accepted.
Needs Assessment and Gap Analysis

The needs assessment and gap analysis must evaluate the size and demographic composition of HOME-ARP qualifying populations, and unmet needs of HOME-ARP qualifying populations. In addition, the needs assessment and gap analysis must identify any gaps within its current shelter and housing inventory, and service delivery system. This needs assessment and gap analysis focuses on the following:

1. Sheltered and unsheltered homeless populations;
2. Currently housed populations at risk of homelessness;
3. Other families requiring services or housing to prevent homelessness; and
4. Those at greatest risk of housing instability or unstable housing situations.

Housing Inventory Count

The annual Housing Inventory Count (HIC) provides useful context regarding the number and type of beds and units that are available for individuals and families experiencing on any given night. The following tables summarize beds and units available as of January 2021 in the City by bed type.

Emergency housing beds include emergency shelter and transitional housing; emergency shelter generally allows for short-term or nightly stays, while transitional housing generally allows for a stay up to 24 months. Both types of emergency housing may include supportive services designed to facilitate movement to independent living.

The 2021 HIC did not include details about housing available for subpopulations.

<table>

</tr>
</tbody>
</table>
Rapid rehousing provides security and utility deposits and/or monthly rental and utility assistance for rental units that rent for less than the fair market rent. Assistance is generally provided for the shortest period of time necessary for a household to gain stable housing and can range from 3 to 24 months. Permanent supportive housing provides for an unlimited lease term; residents receive services necessary to promote continued housing stability.

</tbody>
</table>

Size and Demographic Composition of Qualifying Populations

The February 2022 point-in-time (PIT) count of both sheltered and unsheltered homelessness is used for this analysis.

**Sheltered Homeless Populations**

The 2022 sheltered point-in-time count identified 68 people experiencing sheltered homelessness in the City on between February 22 and 24, 2020. People are considered sheltered when they are residing in emergency shelter or transitional housing, but not when they are receiving rapid rehousing assistance or residing in permanent supportive housing. Among individuals experiencing sheltered homelessness:

- 61 (89.7%) were in emergency housing
- 7 (10.3%) were in transitional housing

LAHSA does the official PIT count in Los Angeles County and does not publish demographics or family status.

**Unsheltered Homeless Populations**

The 2022 unsheltered point-in-time count identified 241 people experiencing unsheltered homelessness on between February 22 and 24, 2022. Among individuals experiencing unsheltered homelessness:
- 41 (16.9%) were in cars
- 12 (4.8%) were in vans
- 100 (41.4%) were in RVs/campers
- 33 (13.9%) were in tents
- 28 (11.7%) were in makeshift shelters
- 27 (11.2%) were in cars
- 0 (0%) were in safe parking

At-risk of Homelessness

Households at risk of homelessness are those with incomes at or below 30% AMI that lack sufficient resources or support networks to prevent homelessness, and

- Have moved more than two times due to economic reasons in the past 60 days, or
- Are doubled up with another household due to economic hardship, or
- Will be evicted within 21 days, or
- Live in a hotel or motel without financial assistance from a nonprofit or government entity, or
- Live in an efficiency apartment and are overcrowded, or
- Are exiting a publicly-funded institution or system of care

The CHAS 2014-2018 Data Table 10 indicates that there are approximately 5,575 households with incomes at or below 30% AMI that are at risk of homelessness in the City.

Fleeing or Attempting to Flee Domestic Violence, Dating Violence, Sexual Assault, Stalking or Human Trafficking

The State of California Department of Justice maintains statistics on domestic violence statewide by jurisdiction. In 2018, the Los Angeles County Sheriff’s Department responded to a total of 951 calls related to domestic violence. Of these calls:

- 97 of these domestic incidents did not involve a weapon
- 854 calls involved a weapon
  - 12 domestic incidents involved a firearm
  - 21 domestic incidents involved a knife or cutting instruments
  - 125 domestic incidents involved other dangerous weapons
  - 696 domestic incidents involved personal weapons (i.e. feet or hands, etc.)
Therefore, if each one of these calls represented a household with member(s) who required housing assistance, it can be estimated that there were up to 951 households in 2018 who were in need of some form of housing assistance. The form of housing assistance required may vary depending on the specific circumstances of each case.

**Other Populations**

Other populations, as defined by HOME-ARP, include those who:

1. Are currently housed and at risk of repeat homelessness;
2. Have incomes at or below 30% AMI and are experiencing severe housing cost burden; and
3. Otherwise meet the definition of at risk of homelessness and have incomes income of more than 30% and at or below 50%

**Other Populations: At greatest risk of housing instability – Households with incomes <30% AMI and experiencing housing cost burden**

The 2014-2019 HUD CHAS data indicates there are 6,115 renter households with an annual income at or below 30% AMI with a cost burden that are at greatest risk of housing instability. These renter households include:

- Two-person households, one or both of whom are age 62 or older: 150
- Small families with 2-4 non-elderly people: 155
- Large families with 5 or more people: 60
- People living alone or with non-relatives who are age 62 or older: 330
- People living alone or with non-relatives, none of whom are age 62 or older: 45

**Other Populations: At greatest risk of housing instability – Households with incomes 30-50% AMI that meet HUD’s §91.5 definition of at risk of homelessness**

Households in this category are those with incomes at more than 30% and at or below 50% AMI that lack sufficient resources or support networks to prevent homelessness, and

- Have moved more than two times due to economic reasons in the past 60 days, or
- Are doubled up with another household due to economic hardship, or
- Will be evicted within 21 days, or
- Live in a hotel or motel without financial assistance from a nonprofit or government entity, or
- Live in an efficiency apartment and are overcrowded, or
- Are exiting a publicly-funded institution or system of care

HUD Comprehensive Housing Affordability Strategy (CHAS) 2014-2018 Data Table 10 provides information on households that include more than one family, household income level and overcrowding. The CHAS data indicates that there are approximately 2,805 households with incomes between 30 and 50% AMI that are at risk of homelessness in the City because of at least one of the housing problems as defined by HUD. In addition, 22 are living in households with more than one family.

**Unmet Housing Needs of Qualifying Populations**

The greatest unmet housing need of qualifying populations is the availability of affordable rental housing. As the table below shows, only 12% of the more than 15,000 rental units in the City are available to households with incomes at or below 50% AMI. Of these, 10% of the more than 15,000 rental units in the City are available to households with incomes at or below 30% AMI. The level of need for affordable rental units for households with incomes at or below 50% AMI is more than four and a half times the available units, according to HUD CHAS data for 2014-2018.

</table>

This housing need impacts all four of the qualifying populations and veterans: Homeless lacking the resources to find and/or afford permanent housing; those at risk of homelessness for a variety of reasons, including housing instability due to their income; those fleeing or attempting to flee domestic violence and other forms of violence may flee their situation with adequate resources to find housing or be trying to flee but lack resources; other populations needing assistance or supportive services to prevent homelessness or housing instability.
Unmet Service Needs of Qualifying Populations

Based on consultation with service providers in the City, the greatest unmet service needs of qualifying populations including sheltered and unsheltered homeless populations, currently housed populations at risk of homelessness, other families requiring services or assistance to prevent homelessness, those fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking, or human trafficking, and those at greatest risk of housing instability or in unstable housing situations are:

- Job training and employment services
- Housing search and housing counseling services
- Childcare assistance
- Mental health services
- Outreach services
- Case management services

Additional unmet service needs of qualifying populations, including sheltered and unsheltered homeless populations, currently housed populations at risk of homelessness, other families requiring services or assistance to prevent homelessness, and those at greatest risk of housing instability or in unstable housing situations include the following as described in HUD CPD Notice 2021-10, as may be amended:

- Education services
- Food assistance
- Legal services
- Outpatient health services
- Substance abuse treatment
- Transportation assistance
- Mediation services
- Credit repair services
- Landlord/tenant liaison services
- Services for special populations
- Financial assistance costs

Research on national statistics shows that homeless individuals and families are in need of mental health services and substance abuse treatment to treat what are often the underlying issues causing homelessness. In addition, this qualifying population would benefit from additional case management services and services addressing their basic needs such as food, housing, and health care.
Those fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking need services in housing services, childcare assistance, and legal services. For those facing housing instability, additional housing search and housing counseling services are needed to address the causes of the instability and assistance to stabilize their housing.

**Current Resources Available to Assist Qualifying Populations**

Current available resources include:

- Congregate beds and non-congregate shelter units;
- Supportive services;
- Tenant-based rental assistance; and
- Affordable and permanent supportive housing
- Housing vouchers

**Current Resources: Congregate Beds and Non-congregate Shelter Units**

In January 2021, there were 48 congregate beds and 280 beds in non-congregate shelter units. Congregate beds include emergency, safe haven, and transitional housing beds and units. Non-congregate shelter includes permanent supportive housing and rapid re-housing.

**Current Resources: Supportive Services**

The lead agency on coordinated entry system (CES), Valley Oasis, considers 39 agencies providing a range of supportive services as referral partners and another 20 agencies as participating partners in the CES system. Although Valley Oasis serves communities other than Palmdale, most of the agencies also service an area larger than Palmdale. The range of services available in the network includes mental health services, domestic violence prevention, children’s services, jobs, food assistance, education services, veterans’ services, and housing services.

**Current Resources: Tenant-based Rental Assistance**

The City funds one agency using HOME funds to provide tenant-based rental assistance to 30 senior households with income at or below 30% AMI.

**Current Resources: Affordable and Permanent Supportive Rental Housing**
There are 21 apartment complexes within the City that have been identified as being affordable rental housing units. The City makes the contact information on these properties available to people and agencies assisting people seeking housing. The properties offer at least 1,838 affordable units. Of those properties, two properties are identified as permanent supportive housing (52 units), four properties are project-based Housing Choice Voucher programs, and seven rent only to seniors.

Of the seven complexes renting to the general population that responded to the survey, three complexes (with a total of 176 units) had waiting lists that totaled 245 (there may be duplicates on the three lists); two complexes do not maintain a waiting list; and one had closed their list but did not state how long the list was. Based on the survey and information found online, none of the 14 complexes had units available for rent.

Of the three complexes renting to only seniors that responded to the survey, two complexes reported waiting lists totaling 50 (there may be duplicates) and reported that the lists included names dating back from 6 months to 1.5 years ago. Based on the survey and information found online, only one complex reported one senior unit available.

**Current Resources: Housing Vouchers**

The Los Angeles County Development Authority sponsors more than 100,000 Housing Choice Vouchers. The waiting list is currently closed. Information about the size and age of the waiting list was not available via telephone or email to staff and is not available through their website or other public sources on the internet.

The City does not sponsor any Housing Choice Vouchers.

**Shelter, Housing and Service Delivery System Gaps**

**Shelter Gap**

There is an estimated need for 241 additional shelter beds based on the 2022 PIT count. The PIT count found that there were 61 persons in emergency shelter in the City but 241 unsheltered persons in a variety of situations, including on the street, in tents or makeshift shelters, or in cars, vans or RVs/campers.

The 2022 PIT count does not define how many were individuals, in family units, or children.
Tenant-based Rental Assistance Gap

There is an estimated gap of 4,984 tenant-based rental assistance vouchers for households with income less than 50% AMI and paying more than 50% of household income for rent, including utilities.

The number of tenant-based rental assistance vouchers was calculated using HUD CHAS data Table 7 and is equal to the number of renter households with income at or below 50% AMI and paying more than 50% of household income for rent, including utilities.

<table>
<thead>
<tr>
<th>Tenant-based Rental Assistance Gap</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>

<td>5,014</td>
</tr>
<tr>
<td>TBRA vouchers available</td>
<td>30</td>
</tr>
<tr>
<td><strong>TBRA gap</strong></td>
<td>4,984</td>
</tr>
</tbody>
</table>

Affordable Supportive Rental Housing Gap

There is an estimated gap of 5,425 rental units affordable to renter households with income at or below 30% AMI and an estimated gap of 2,480 rental units affordable to renter households with income above 30% and up to 50% AMI.

The number of Affordable Rental Units was calculated using HUD CHAS Data Table 7 and is equal to the number of renter households’ income category paying more than 50% of household income for rent, including utilities.

<table>
<thead>
<tr>
<th>Affordable Rental Unit Gap</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Renter Households with Income at or below 30% AMI paying more than 50% of income for rent, including utilities</td>

</tr>
<tr>
<td>Renter Households with Income 30% to 50% AMI paying more than 50% of income for rent, including utilities</td>
<td>2,480</td>
</tr>
<tr>
<td><strong>Total Affordable Rental Unit Need</strong></td>
<td>7,905</td>
</tr>
</tbody>
</table>

Permanent Supportive Rental Housing Gap

Permanent supportive rental housing is a subset of the affordable rental housing gap, primarily for households with income at or below 30% AMI. In addition to affordable rent, permanent supportive housing provides an array of services necessary to help people with disabilities and/or experiencing chronic homelessness to retain housing stability. There is an estimated gap of 451 permanent supportive housing units in the City.
The number of Permanent Supportive Rental Housing Units needed was calculated by multiplying the current population of the City, according to the California Census 2020, by the per capita need (.003182) in California as calculated by the Corporation for Supportive Housing.

<table>
<thead>
<tr>
<th>Permanent Supportive Housing Gap</th>

<td>501</td>
</tr>
<tr>
<td>Permanent Supportive Housing Available</td>
<td>52</td>
</tr>
<tr>
<td><strong>Total Permanent Supportive Housing Gap</strong></td>
<td>451</td>
</tr>
</tbody>
</table>

**Housing Voucher Gap**

The size of the housing voucher gap is unknown; information on the number of Palmdale residents on the list is not available. With 100,000 names on the waiting list, in a county of 9.8 million, it is conceivable that with 1.54 percent of the population living in Palmdale, there could be 1,539 names on the waiting list currently residing in Palmdale.

**Service Delivery System Gap**

To identify gaps in the service delivery system, the City relied on its consultation with stakeholders and experience working with the organizations working in the City. The stakeholders believe that the most critical service gaps are in the areas of job training and employment services, housing search and housing counseling services, childcare, mental health services, outreach services, and case management. The stakeholders also believed there was a need for assistance with general administrative costs and building capacity among the service providers serving the City’s qualifying populations.

**Characteristics of Housing Associated with Increased Risk of Homelessness for Other Populations**

For other populations, severe housing cost burden, or paying more than 50% of household income for rent and utilities is the primary characteristic of housing associated with the risk of homelessness in the City. The HUD CHAS Data Table 7 indicates there are 7,905 household at or below 50% AMI who are spending more than 50% of the household income on rent and utilities.

**Priority Needs for Qualifying Populations**
Homeless. An article on the website policyadvice.net, *The State of Homelessness in the US-2022*, uses PBS as a source for the following statistics:

- 25% of homeless people have a mental illness
- 38% have an alcohol abuse issue
- 26% have a drug abuse issue

That information, and other research, indicates that there is a need for mental health services and substance abuse services for the homeless in the City. Participants in the consultation process believed that homelessness was best served by the development of additional shelter beds, affordable housing, and TBRA assistance for housing. The priority needs for supportive services included housing search, mental health services, financial assistance, and case management.

At risk of homelessness. One of the indicators of risk of homelessness is housing cost burden. According to the National Alliance to End Homelessness, in their *State of Homelessness: 2021 Edition*, households experiencing a severe housing cost burden and households “doubling up” or sharing housing are both at a greater risk of homelessness than they were in 2007. They used numbers from 2019, before the COVID-19 pandemic and project that reduced work hours and elevated unemployment will have increased those at risk.

Participants in the consultation process believed those at risk of homelessness in the City would benefit from additional affordable housing, TBRA assistance for housing, and supportive services offering housing counseling, fair housing, credit repair services, and eviction defense.

Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking. The National Resource Center on Domestic Violence reports that domestic violence is frequently an immediate cause or precursor to homelessness and housing instability and that more than a third of domestic violence survivors report becoming homeless immediately after separating from their partners. The national Institute of Justice reports that one homeless woman in four is homeless mainly because of her experiences with violence. That violence can include categories of domestic violence, dating violence, sexual assault, stalking or human trafficking.

Participants in the consultation process believed those dealing with fleeing unsafe relationships or living situations, would benefit from supportive services offering housing
counseling, mental health services, fair housing, case management services affordable housing and TBRA assistance.

**Housing instability and homelessness prevention.** Housing instability encompasses a number of challenges, such as having trouble paying rent, overcrowding, moving frequently, staying with friends or family, or rent burden. Those populations affected by housing instability can include children and people who have spent time in prison. According to the US Department of Health and Human Services, those affected by housing instability may live in substandard housing subjecting them to health and safety risks, live in overcrowded units, or forced moves that may result in homelessness.

Participants in the consultation process believed that housing instability, often caused by rent burden, and preventing homelessness was best addressed with affordable rental housing, TBRA assistance, non-congregate shelter, and supportive services including job training and employment services, housing search and housing counseling services, childcare, mental health services, outreach services, and case management.
HOME-ARP Activities

The City will solicit applications from developers, service providers, and/or nonprofits to administer eligible activities and/or develop shelter and housing. A Notice of Funds Available (NOFA) will be issued. The NOFA will, at a minimum, specify eligible activities, eligible applicants, minimum and maximum funding amounts, application thresholds, and will provide instructions on how to submit a proposal.

</tbody>
</table>

Rationale for Uses of HOME-ARP Funding

There is need for additional projects, programs and services in all the eligible activity areas and serving the qualifying populations as evidenced by the consultation process and the needs assessment and gap analysis undertaken in the preparation of this allocation plan.

The City currently funds a TBRA program serving 30 senior households with its annual allocation of HOME funds. While the need is great for affordable housing development, the City has already earmarked CDBG and HOME funds for future development projects to assist in addressing this need. There are a wide range of agencies in the City and regionally offering a range of supportive services to qualifying populations.

The City has determined that the highest and best use of this allocation, for the greatest impact in the lives of individuals and families, is to allocate the funds to a facility that has been considered in the City to house a navigation center and non-congregate shelter. The City has been assembling land for the facility and has informally discussed the structure to be built. With a navigation center on the ground floor (housing representatives of many of the
agencies offering supportive services) and two floors of non-congregate shelter (one floor for individuals and families without children and a second for families with children).

This allocation of HOME-ARP funds will be used for the construction of the portion of the facility providing non-congregate shelter. The City will leverage other funds for the navigation portion of the facility. The project is still in the pre-development phase and the property is currently being cleared and prepared for development. The facility has not been named and the ownership/management structure is still to be determined. HOME-ARP funds will be used for the development and construction, and not operating assistance in the future.

Outreach to Qualifying Populations. When operating, the City plans to have the non-congregate shelter accept referrals from the CoC, other nonprofits supporting outreach teams, and walk-in homeless individuals and families. The shelter is intended to serve the basic needs of homeless members of the community and help get people back on their feet with food, shelter, clothing, and supportive services available in the navigation center, such as help getting identification documents, financial assistance, and long-term housing. The shelter will also serve those fleeing domestic violence and other forms of violence as needed when shelters serving that qualifying population are full or vouchers are not available. The shelter will also be available to those at risk of homelessness as a safety net if it becomes necessary to vacate their housing.

Administration and planning. HOME-ARP administration and planning funds were used to pay City staff working on this allocation plan. HOME-ARP administrative and planning funds were not used to hire consulting services in the preparation of this plan. After the Allocation Plan is approved, administration and planning funds will be used for standard expenses in managing the HOME-ARP program, including the costs of City staff, and hired consultants. Consultants may assist with administrative tasks such as grant administration, monitoring, and reporting. There are no planned allocations for non-profit operating assistance or non-profit capacity building. Administration expenses are within the statutory limits.
HOME-ARP Housing Production Goals

The City of Palmdale will produce approximately 25 units of non-congregate shelter with the HOME-ARP funding. The units will accommodate individuals, families without children, and families with children. The City has not determined the design or mix of the units but will leverage qualitative input and quantitative data to meet the needs of a changing population.

The project is still in the pre-development phase and the property is currently being cleared and prepared for development. The facility has not been named and the ownership/management structure is still to be determined. HOME-ARP funds will be used for the development and construction, and not operating assistance in the future.

Preferences

The City of Palmdale will not provide preferences to any population or subpopulation.

HOME-ARP Refinancing Guidelines

The City of Palmdale does not plan to use HOME-ARP funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds. Therefore, refinancing guidelines pursuant to 24 CFR 92.206(b) are not applicable to this HOME-ARP Allocation Plan.
APPENDIX A
Citizen Participation
Summary of Citizen Participation Comments

Allocation Plan Public Review and Comment Period
April 1 - May 4, 2022

There were no public comments received during the public comment period held April 1 through May 4, 2022.

Public Hearing before City Council
May 18, 2022

One comment was received during the public hearing held before City Council on May 18, 2022.

A Palmdale resident requested that the Council survey the seniors to find out their needs. See the May 18 City Council meeting minutes, page 7, item 16.3, screen shot follows. Full document can be found here:

DocumentViewer.php (google.com)

The comment received was accepted.
16.3) Public Hearing to hear public comments on the Draft HOME-ARP Allocation Plan and the proposed expenditure of HOME Investment Partnerships Program American Rescue Plan (HOME-ARP) funds; Review and approve the HOME-ARP Allocation Plan; and Authorize the City Manager or their designee to make necessary changes and submit the HOME-ARP Allocation Plan, execute documents related to the submission of the HOME-ARP Allocation Plan. (Staff Reference: Director of Neighborhood Services Miller - Presented by Housing Manager Reyes)

Housing Manager Reyes provided a detailed overview of the staff report.

Mayor Hofbauer opened the Public Hearing.

Jason Zink requested that Council survey the seniors to find out their needs.

A motion was made and carried unanimously to close the Public Hearing.

Motion: Approve the recommendations and findings as listed in the staff report. Moved by Juan Carrillo, seconded by Richard J Loa.

Vote: Motion carried (5-0)

Yes: Steven Hofbauer, Richard J Loa, Juan Carrillo, Austin Bishop, Laura Bettencourt.

Mayor Pro Tem Loa stated on May 7th in the Los Angeles Times Steve Lopez columnist quoted Congresswoman Karen Bass saying that the solution to the Los Angeles homeless problem was to build a homeless village in the City of Palmdale. Mr. Loa directed Interim City Manager Perez to provide a response on behalf of the city.

17) ADJOURN

Mayor Hofbauer adjourned the meeting at 10:09 p.m. in honor of Sam Spinallo.

PASSED, APPROVED, and ADOPTED this 13th day of July 2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).

6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

Authorized for Local Reproduction

Previous Edition Usable  
Standard Form 424B (Rev. 7-97)
Prescribed by OMB Circular A-102

10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

19. Will comply with the requirements of Section 108(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure nondiscrimination during the useful life of the project.

4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.

5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.

6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).

9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

10. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect; (2) Procuring a commercial sex act during the period of time that the award is in effect; and (3) Using forced labor in the performance of the award or subawards under the award.

SF-424D (Rev. 7-97) Back
HOME-ARP CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the participating jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing pursuant to 24 CFR 5.151 and 5.152.

Uniform Relocation Act and Anti-displacement and Relocation Plan --It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It will comply with the acquisition and relocation requirements contained in the HOME-ARP Notice, including the revised one-for-one replacement requirements. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42, which incorporates the requirements of the HOME-ARP Notice. It will follow its residential anti-displacement and relocation assistance plan in connection with any activity assisted with funding under the HOME-ARP program.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:
1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations and program requirements.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

HOME-ARP Certification -- It will use HOME-ARP funds consistent with Section 3205 of the American Rescue Plan Act of 2021 (P.L. 117-2) and the CPD Notice: Requirements for the Use of Funds in the HOME-American Rescue Plan Program, as may be amended by HUD, for eligible activities and costs, including the HOME-ARP Notice requirements that activities are consistent with its accepted HOME-ARP allocation plan and that HOME-ARP funds will not be used for prohibited activities or costs, as described in the HOME-ARP Notice.
