2023

RECREATION SWIM SCHOLARSHIP PROGRAM

Application Guidelines
DEADLINE TO APPLY IS JUNE 30, 2023

www.PlayPalmdale.com
VISION AND MISSION

The City of Palmdale is committed to providing City of Palmdale residents expanded accessibility to our programs and facilities to ensure that no child is denied an opportunity to participate in our programming because of economic hardship. If you and your family are current residents of the City of Palmdale and are low-income, you may qualify for the Recreation Swim Scholarship program.

As part of our strategic plan, the City of Palmdale provides inclusive access to our services that build a resilient and healthy community, while developing and maintain diverse programs that inspire growth, pride, and lifelong learning.
The swim safety scholarship program is held seasonally and available only during the summer season (May-August).

If your child is awarded a Recreation Swim scholarship, you are eligible to apply for other scholarship programs.

Award is for a $30 credit per child, per immediate family.

Scholarship funds must be used within the summer season period and cannot be refunded in the form of cash or credit.

Recreation swim memberships come in a 10–20–or–40 pack and are refillable throughout the season. Membership can be used at any pool location.

The Recreation Swim scholarship is not eligible for lap swim, swim lessons, recreation activities, or programming.

The Department of Parks and Recreation has a limited number of Recreation Swim scholarships available for children, 17 years of age or younger. Recreation swim sessions, also known as open swim, are family friendly and is available during the summer season. This scholarship program will allow for $30 in funding that can be used towards the purchase of a recreation swim membership. All scholarships, regardless of need, are limited by donated funds and are awarded on a first-come, first-served basis.

- The swim safety scholarship program is held seasonally and available only during the summer season (May–August).
